**Definition**

For the purpose of this policy, the school defines “serious unacceptable behaviour” as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour, including, but not limited to, the following:

**Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation

**Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals

**Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation

**Bullying** – a type of harassment which involved criticism, personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual

**Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature

Possession of legal or illegal drugs, alcohol or tobacco

Possession of banned items

Truancy

Refusing to comply with disciplinary sanctions

Theft

Swearing, racist remarks or threatening language

Fighting or aggression

For the purpose of this policy, the school defines “low level unacceptable behaviour” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

Lateness

Low level disruption and talking in class

Failure to complete classwork

Rudeness

Lack of correct equipment

Refusing to complete homework, incomplete homework, or arriving at school without homework

Disruption on public transport

Use of mobile phones without permission

Graffiti

“Unacceptable behaviour” may be escalated as “serious unacceptable behaviour”, depending on the severity of the behaviour.

“Challenging behaviour” is defined as:

Discriminative abuse

Verbal abuse

Bullying

Persistent disobedience or destructive behaviour

Extreme behaviour – e.g. violence, running away from school, vandalism

Any behaviour that threatens safety or presents a serious danger

Any behaviour that seriously inhibits the learning of pupils

Any behaviour that requires the immediate attention of a staff member

## **Smoking and controlled substances**

- In accordance with part 1 of the Health Act 2006, this school is a smoke-free environment. This includes all buildings, out-buildings, playgrounds, playing fields and sheltered areas.
- Parents, visitors and staff are instructed not to smoke on school grounds and should avoid smoking in front of pupils and/or encouraging pupils to smoke.
- In the interest of health and hygiene, the school requests that people refrain from smoking outside the school gates.
- The school has a zero-tolerance policy on illegal drugs and legal highs.
- Following the identification and confiscation of a controlled substance, the staff member will seal the sample in a plastic bag and include details of the date and time of the confiscation and any witness/witnesses present.
- The staff member will store the sample in the front office.
- The incident will be reported to the police immediately. The police will then collect the item and deal with it in line with their agreed protocols.
- Any further measures will be undertaken in line with the school’s Child Protection and Safeguarding Policy.
- Where controlled substances are found on school trips away from the school premises, the parents of the pupil, as well as the local police, will be notified.

## **Effective classroom management**

The school understands that well-managed classrooms:

Start the year with clear sets of rules and routines that are understood by all pupils.

Establish agreed rewards and positive reinforcements.

Establish sanctions for misbehaviour.

Establish clear responses for handling behavioural problems.

Encourage respect and development of positive relationships.

Make effective use of the physical space available.

Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments (e.g. those made for pupils whose SEND may affect their behaviour), pupils will be expected to follow the school Pupil Code of Conduct which requires pupils to:

Conduct themselves around the school premises in a safe, sensible and respectful manner.

Arrive to lessons on time and fully prepared.

Follow reasonable instructions given by staff.

Behave in a reasonable and polite manner towards all staff and pupils.

Show respect for the opinions and beliefs of others.

Complete classwork as requested.

Hand in homework at the time requested.

Report unacceptable behaviour.

Show respect for the school environment.

Well-managed classrooms are paramount to preventing disruptive and challenging behaviour – the school establishes four core areas to effective classroom management which each contribute to preventing behaviour problems, these are as follows:

Classroom rules

Routines

Praise

Rewards

Classroom Rules

Teachers establish classroom rules on an annual basis in conjunction with pupils which define what is acceptable behaviour and consequences if rules are not adhered to.

Teachers ensure that classroom rules are always clear, comprehensive and enforceable.

Attention is given to how rules are worded – teachers ensure they use positive language rather than negative, e.g. “I will act respectfully towards my peers and teachers”, rather than “do not act disrespectfully towards your peers and teachers”.

Before committing to the classroom rules, teachers ensure that all pupils fully understand what they involve and what is expected of them.

Teachers explain the rationale behind the rules in order to help pupils understand why rules are needed.

Rules are placed on the classroom walls to ensure they are visible to pupils at all times, and they are regularly reinforced within the classroom, e.g. before any lesson activity.

Teachers explain clearly to pupils what will happen if they breach any of the rules so they are aware of the sanctions that may be imposed.

At the beginning of the school year, once the classroom rules have been devised, pupils are provided with a *Classroom Rules Agreement* which they are required to read and sign – for younger pupils, parents will read this with them and sign on their behalf.

All rules outlined in the Classroom Rules Agreement are applicable to pupils' behaviour elsewhere on the school premises and outside of the school – teachers ensure pupils understand this.

## **Routines**

The school understands that pupils work best when there is an established routine, and that most behavioural problems arise as a result of a lack of a consistent routine.

Teachers establish classroom routines at the beginning of the academic year in conjunction with pupils and revisit these daily.

Routines may include activities such as the following:

- Standing behind chairs before the class starts and sitting down upon the teacher's instruction
  - Saying prayers at key points during the day
  - Handing out exercise books and equipment at the beginning of the lesson
  - Writing lesson objectives down
  - Putting chairs on top of the desk at the end of the day
- 
- Once a routine has been established, the teacher models this for pupils to ensure they understand it.
  - Routines are displayed alongside the classroom rules on the wall so that they are clearly visible to pupils.
  - Teachers explain the rationale behind the routine to help pupils understand why it is needed, as well as the sanctions that will be imposed if a pupil does not adhere to the routine.
  - Teachers ensure that the routine remains consistent and is practised throughout the year to create a more productive and enjoyable environment.

## **Praise**

- The school recognises that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. Whilst it is important to receive praise from teachers, the school also understands that peer praise is effective for creating a positive and fun environment, and value amongst pupils.

- When giving praise, teachers ensure:
  - They define the behaviour that is being rewarded.
  - The praise is given immediately following the desired behaviour.
  - The way in which the praise is given is varied.
  - Praise is related to effort, rather than only work produced.
  - Perseverance and independence are encouraged.
- Teachers ensure that praise is not given continuously without reason and only when a pupil's efforts, work or behaviour needs to be recognised.
- Praise that is given is always sincere and is never followed with immediate criticism.
- Teachers encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

## Rewards

The school understands that when rewards are used following certain behaviour, pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded

The school uses three different categories of rewards – these are:

- **Social** – praise and recognition, e.g. a positive phone call or email home.
- **Physical** – material rewards, e.g. tokens, stickers or certificates.
- **Activity** – activity-based rewards, e.g. extra play, golden time.

Teachers may implement different types rewards as they see fit with approval from the headteacher; however, as a general rule, the following rewards are used:

- Tokens and stickers
- House points
- Star of the Week
- Work displayed on the Wow Wall
- Raffle tickets
- Certificates
- Golden time
- Positions of responsibility, e.g. prefect
- Class celebrations
- Lucky dips

- Phone calls and emails home
- The awarding of cups, shields, medals at the end of the school year

### **Positive relationships and approach**

Positive teacher-pupil relationships are key to combatting challenging behaviour. The school focusses heavily on forming these relationships to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place.

Teachers will enforce a number of strategies to establish positive relationships with their pupils – these may include:

- Welcoming pupils as they enter the classroom.
- Ensuring pupils understand what is expected of them.
- Creating a positive environment where every pupil feels comfortable and respected.
- Showing an interest in each pupil's interests, talents, goals, likes and dislikes, and their family.
- Engaging with pupils during lunchtime and breaktime.
- Focussing on using positive language when interacting with pupils to guide them towards positive outcomes rather than highlighting their mistakes.

Within the classroom, teachers establish clear expectations for manners and respect for pupils – this includes:

- Acknowledging and giving praise when a pupil demonstrates good manners.
- Encouraging pupils to treat others with respect by modelling the desired behaviour.
- Informing pupils of the importance of treating others the same way they like to be treated.
- Role playing various situations to demonstrate appropriate responses, so they understand how to act in a given context.
- Establishing a politeness policy to help pupils understand basic manners and respect.
- Teaching pupils the importance of showing respect to each other – e.g. writing thank you notes.

The school aims to create a safe and calm environment in which positive mental health and wellbeing is promoted and pupils are taught to be resilient, reducing the likelihood of SEMH-related behavioural issues.

The school aims to promote resilience as part of a whole-school approach, using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing

- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils’ health and wellbeing

Positive mental wellbeing will be promoted through:

- Teaching in health education and PSHE
- Counselling
- Positive classroom management
- Developing social skills
- Working with parents
- Peer support

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The school’s SEMH Policy outlines the specific procedures that will be used to assess these pupils for any SEMH difficulties that could affect their behaviour.

### **The classroom environment**

In order to prevent poor behaviour, the school understands that a well-structured environment is paramount.

Teachers employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early – this includes:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils’ faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

Wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Before starting lessons, teachers ensure they have the full attention of all pupils, then explain the task clearly so all pupils understand what they are supposed to be doing.

Teachers establish different methods for regaining pupils’ attention, e.g. clapping hands twice means pupils must stop what they are doing and look at the teacher – any methods teachers use are made clear to pupils from the outset and included in their Classroom Rules Agreement.

### **Understanding behaviour**

Where pupils frequently display negative behaviour, the school uses the antecedent–behaviour consequence (ABC) analysis to determine appropriate support – this involves:

- Antecedent **(A)**: what happens before the behaviour occurs.
- Behaviour **(B)**: the behaviour that occurs.
- Consequence **(C)**: the positive or negative results of the behaviour.

Using the ABC analysis, staff are able to identify when the behaviour is likely to occur, and the support that needs to be put in place to minimise consequences and disruption.

When conducting the ABC analysis, staff will ask themselves the following questions to ensure the analysis is effective:

- What appears to be the underlying cause of the pupil's behaviour?
- Where and when does the pupil display this behaviour?
- What are the triggers of the behaviour?
- What acceptable behaviour can the pupil use to ensure their needs are met?
- What strategies can be implemented for behaviour change?
- How can the pupil's progress be monitored?

A *Behaviour Contract* is developed for each pupil displaying challenging behaviour once the ABC analysis is complete – this outlines the expectations of the pupil and the support required.

Necessary staff members will be familiar with the pupil's Behaviour Contract to ensure staff are equipped to deal with instances of negative behaviour.

Pupils and their parents are involved in the development of the Behaviour Contract, and this is reviewed on a fortnightly basis by the parent, pupil and their teacher – the contract will be reviewed sooner if it is not effective.

## **De-escalation strategies**

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation – this includes the following:

- Appearing calm and using a modulated, low tone of voice
- Using simple, direct language
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member
- Providing adequate personal space and not blocking a pupil's escape route
- Showing open, accepting body language, e.g. not standing with their arms crossed
- Reassuring the pupil and creating an outcome goal
- Identifying any points of agreement to build a rapport
- Offering the pupil a face-saving route out of confrontation, e.g. that if they stop the behaviour then the consequences will be lessened

- Rephrasing requests made up of negative words with positive phrases, e.g. “if you don’t return to your seat, I won’t help you with your work” becomes “if you return to your seat, I can help you with your work”

## Intervention

In line with the school’s Physical Restraint and Reasonable Force Policy, all members of staff have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the classroom.

Physical restraint may be appropriate in the following situations:

- A pupil attacks a member of staff or another pupil
- A pupil tries to, or does, conduct deliberate damage or vandalism to property
- A pupil is causing, or is at risk of causing, injury or damage by accident, by rough play or by misuse of dangerous materials or objects
- A pupil is running on a corridor or stairway in a way that may cause an accident or injury to themselves or others
- A pupil leaves the classroom, or tries to leave the classroom or school premises, at an unauthorised time – only where doing so may lead to a risk of injury, property damage or serious disruption
- A pupil is behaving in a way that is seriously disrupting a lesson, event or educational visit
- A pupil is behaving a way that is seriously compromising good order and discipline
- A pupil persistently refuses to obey an order to leave the classroom

Physical restraint will only be used as a last resort and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary.

All staff will attempt to use the *de-escalation strategies* before the use of physical intervention; however, the school understands that intervention may be the only resolution in some severe incidents, such as violence or where there is an immediate risk of injury.

Any physical intervention used will be conducted in line with the Physical Restraint and Use of Reasonable Force Policy.

Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used.

After an instance of physical intervention, the pupil will be immediately taken to the headteacher and the pupil’s parents will be contacted – parents may be asked to collect the pupil and take them home for the rest of the day.

Any violent or threatening behaviour will not be tolerated by the school and may result in a fixed-term exclusion in the first instance. It is at the discretion of the headteacher as to what behaviour constitutes for an exclusion.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, the school will recognise and consider the vulnerability of these groups.

## **Managing behaviour**

Instances of poor behaviour are taken seriously and dealt with immediately. Where de-escalation strategies are not effective, the school adopts a four-stage process for handling challenging incidents.

The headteacher will keep a record of all reported incidents to help identify pupils whose behaviour may indicate potential mental health problems.

After an initial incident of negative behaviour, the following sanctions are implemented:

- The pupil is sent to the headteacher immediately, or in their absence, one of the deputies.
- The headteacher investigates the incident and decides whether or not it constitutes as challenging behaviour.
- If the headteacher deems the behaviour to be challenging, they will record the incident in the Behaviour Log, as well as on the pupil's Behaviour Contract if they have one. The behaviour will also be recorded on the pupil's permanent record.
- The pupil will be moved to isolation – the headteacher will determine the length of the period spent in isolation as well as any detention time.
- The headteacher will inform the pupil's parents and invite them to discuss the incident.
- Parents will be made aware that a repeat offence will result in the pupil being monitored with a Behaviour Contract – if they do not already have one.
- If a pupil already has an existing Behaviour Contract, this will be reviewed.
- Victims of any challenging behaviour will be offered the opportunity for counselling from an appropriate member of staff.

Following a second incident of challenging behaviour, the following sanctions are implemented:

- A Behaviour Contract will be developed for the pupil for a set period of time as determined by the headteacher.
- If the pupil demonstrates any unacceptable behaviour during this time, their teacher, or member of staff present for poor behaviour that occurs outside of the classroom, will record comments in their Behaviour Contract.
- The pupil will present their Behaviour Contract to their teacher at the end of each lesson for a comment – the class teacher will also review the contract at the end of each day.
- At the end of the specified period, the pupil will present their Behaviour Contract to the headteacher for a comment and a review.

- If the headteacher is not satisfied with the pupil's behaviour during the specified period, the Behaviour Contract duration may be extended.
- Parents will be informed that the pupil has a Behaviour Contract and that any further instances of challenging behaviour may result in exclusion.

Following a third incident of challenging behaviour, the following sanctions are implemented:

- The headteacher will consider whether the pupil should be excluded (for a fixed term) in line with the school's Exclusion Policy and determine the length of the exclusion.
- Although challenging behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH difficulties, SEND support will be put in place, funding for this will have to be negotiated between the school and the parents.
- SEND support, which outlines a specific programme of graduated adjustments, interventions and support relevant to the pupil's needs, will consist of the following three stages:
  - **Stage 1: Universal support** – the adjustments, interventions and support accessible to all pupils that is delivered at a whole-school level.
  - **Stage 2: Selected support** – the support and interventions delivered using the school's resources, led by the SENCO.
  - **Stage 3: Targeted support** – the support and interventions for pupils who have more complex and enduring SEMH needs.
- Where the decision to implement an individualised graduated response has been unsuccessful, the school will consider whether to request an EHC needs assessment, in line with the school's SEND Policy. This could lead to the creation of an EHC plan.
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behavioural Plan will be created to outline the necessary provisions in place.

Following a fourth incident of challenging behaviour, the following sanctions are implemented:

- The headteacher will enforce a fixed-term exclusion in line with the school's Exclusion Policy.
- When the pupil returns to the school, the headteacher, pupil and parents will agree, in writing, a strategy for identifying instances of challenging behaviour and how to avoid them.
- When returning to the school, the pupil will have an individual behavioural plan in place.
- Parents will be made aware, in writing, that a further incident could result in permanent exclusion.

- Where a pupil is identified as having SEMH difficulties, but a request for an EHC needs assessment is rejected, or has been approved but the implementation of an EHC plan fails to address the pupil's behaviour, further sanctions, such as exclusion, could be considered.

For consequences to be lawful, the school will ensure that:

- The decision to issue a consequence to a pupil, is made by a paid member of school staff, or a member of staff authorised to do so by the headteacher.
- The decision to issue a consequence to a pupil, is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip/visit.
- The decision to issue a consequence to a pupil is reasonable and will not discriminate on any grounds – as per the Equality Act 2010.

The school will ensure that all punishments are reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs and any SEND.

### **Detention**

- The school will make it clear to parents and pupils that they are able to use detention as a sanction, during school hours.
- All teachers at the school can impose detention on a pupil, unless the headteacher decides to withdraw this power from any teacher.
- Parental consent is not required for detentions and, therefore, the school is able to issue detention as a sanction without first notifying the parents of the pupil.
- When issuing detentions, members of staff will ensure that they do so reasonably within the given circumstances, and that they consider any additional needs of the pupil.
- If the detention is during lunchtime, 30 minutes will be allocated to allow the pupil time to eat, drink and use the toilet.

### **Behaviour off school premises**

- Pupils at the school must agree to represent the school in a positive manner.
- The guidance laid out in the Pupil Code of Conduct applies both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.
- Staff can issue consequences to pupils for misbehaviour outside of the school premises.
- Staff may discipline pupils for misbehaviour off the school premises when the pupil is:
  - Wearing school uniform.
  - Travelling to or from school.
  - Taking part in any school-related activity.
  - In any way identifiable as being a pupil at the school.

Staff may also discipline pupils for misbehaviour off the school premises that, irrespective of the above:

- Could negatively affect the reputation of the school.
- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.

- Could disrupt the orderly running of the school.

Any bullying witnessed outside of the school premises and reported to a member of staff, will be dealt with in accordance with the school's Anti-Bullying Policy.

The school will impose the same behaviour sanctions for bullying incidents and non-criminal misbehaviour which is witnessed outside of the school premises, as would be imposed for the same behaviour conducted on school premises.

In all cases of misbehaviour outside of the school premises, staff will only impose any behaviour sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about misbehaviour by pupils at the school are taken very seriously and will be dealt with in accordance with the Complaints Procedure Policy.

### **Staff training**

- The school recognises that early intervention can prevent misbehaviour. As such, teachers will receive training in identifying problems before they escalate; this can be behavioural problems in the classroom or during breaks and lunchtime.
- Teachers and support staff will receive training on this policy as part of their new starter induction.
- All staff members are provided with sufficient training in de-escalation strategies and dealing with disruptive and challenging behaviour as part of their induction programme – this training is updated on an annual basis.
- Training may also be refreshed in light of recent incidents and challenging behaviour, or where it is apparent that existing methods are not as effective as they could be.
- All staff will also receive training on the common symptoms of SEMH problems, what is and isn't cause for concern, and what to do if they think they have spotted a developing problem.
- At least one member of staff will know every pupil and receive training on how to spot where challenging or unusual behaviour may have an underlying cause that needs addressing.
- Teachers and support staff will receive regular and ongoing training as part of their development.

### **Monitoring and review**

- This policy will be reviewed by the headteacher and mental health lead on an annual basis, who will make any necessary changes and communicate these to all members of staff.
- This policy will be made available for ISI inspections and review by the chief inspector, upon request.

The next scheduled review date for this policy is September 2022.

# Classroom Rules Agreement

## Our classroom rules

Our class, number/name, has created this agreement so that all pupils know how to behave when they are in class and around the school. Together, we have created our rules and agreed that we will stick to them. This will make sure our whole class is happy and we can get on with our work.

Please read the rules to make sure you understand them – we want to make sure our school is a happy learning environment!

### I will:

- Be kind, polite and aware of the feelings of others.
- Listen to others when they are talking without interrupting them.
- Be respectful of others – my teachers and my class mates.
- Treat others as I would like to be treated.
- Be respectful of the environment and not damage any school property.
- Do as the teacher asks and follow instructions.
- Complete all tasks I have been set and try my best with my work and learn from my mistakes.
- Take responsibility for my own behaviour.
- Tell the teacher if I feel frustrated or distracted.
- Always tell the truth.

I understand that if I don't follow the rules there may be consequences:

**1<sup>st</sup> warning:** The teacher tells me to stop the behaviour. I should stop doing what I'm doing.

**2<sup>nd</sup> warning:** The teacher asks me to have 'time out' for 5 minutes quiet time.

**3<sup>rd</sup> warning:** The teacher tells me to stay behind at breaktime or lunchtime. I must think about why I am acting this way and make sure it does not occur tomorrow.
